High Tech Modular Pods: Perfect for Teams!

Arnolds Price: \$997.00

These High Tech Modular Pods are in great condition and can be configured in clusters of 3- and 6-work surfaces to accommodate small team collaboration. The clusters come in a standard 42- height with a 53-inch, glass-top option if additional privacy is required. Each cluster is made up of three work surfaces and comes with pedestal storage units and built-in power connections at no additional charge!. For orders over 25, we will customize the clusters by choosing from a wide range of fabric and paint colors. Call for more details. ** Price quoted is for a single workstation **
