

SUNLINE CUBE KIT

start here

Your office is one step closer to having a **SIMPLE** and **EASY** workstation solution...

Start here with our simple to-do checklist and we'll have you sitting in your new cubicle(s) in no time!

The hardest part of the process will be picking which of the **SEVEN** different layouts you'll want your workspace to have!

DELIVERY requirements

- Verify building delivery requirements, such as freight delivery hours and if a reservation is needed, if a certificate of insurance or union labor are required, etc., with your building management **PRIOR** to delivery.

DOWNLOAD APP instructions

Scan the **BILT** QR code below, which takes you directly to the step-by-step 3D cubicle installation instructions.
