

UCF ATHLETICS

Case Study

The Project

UCF Athletics (Fall 2023):

In the fall of 2023, the University of Central Florida's athletics department partnered with Arnold's Office Furniture to redesign their office space with Sunline Signature workstations, Ergo classic chairs, stools, desks, and a small table. They chose Arnold's over several competitors for its exceptional design, competitive pricing, and unmatched customer support.

About Our Client:

UCF Athletics stands at the forefront of collegiate sports, embodying a rich legacy of athletic prowess and dedication. With a focus on developing student-athletes both on and off the field, UCF Athletics has become a beacon of inspiration within the collegiate sports community.

The Solution

UCF Athletics recognized the Sunline Signature workstations as the perfect fit for their needs. Despite not having space dimensions on file, Arnold's team quickly provided a range of tailored options, ensuring the furniture met their functional and spatial requirements.

A logistical challenge arose when a major event at the arena overlapped with the delivery schedule. Arnold's team implemented a strategic solution by dividing the shipment into two trucks, scheduling deliveries on separate days to avoid any disruptions.

Arnold's team demonstrated professionalism, dedication, and a commitment to seamless communication throughout the project, cementing their position as the clear choice for UCF Athletics.

This project underscores Arnold's commitment to delivering not just high-quality furniture but also an exceptional customer experience tailored to each client's unique needs.
