

Taracon Precast

Case Study

The Project

Taracon Precast (Spring 2022):

Taracon Precast, formerly known as Spring Prairie, is a precast concrete manufacturing company that selected Arnold's for the installation of 8 Sunline cubicles and 1 Sunline private office at their Hawley, MN location. This signifies their renewed partnership with Arnold's, highlighting 'exceptional service and quality products' as pivotal elements.

Matthew from Taracon praised Arnold's for outstanding communication, flawless delivery, and installation, rating his experience 5/5 stars.

About Our Client:

Taracon Precast Company stands as a prominent entity in the precast concrete industry, epitomizing a heritage of innovation and quality craftsmanship. With a steadfast dedication to delivering superior precast solutions, Taracon Precast has established itself as a trusted leader in the field.

The Solution

The solution provided by Arnold's for Taracon Precast involved the seamless installation of 8 Sunline cubicles and 1 Sunline private office at their Hawley, MN location. With a focus on delivering superior products and outstanding service, Arnold's ensured that the project met Taracon's requirements and exceeded their expectations.
