

DARUL QASIM COLLEGE

Case Study

The Project

Darul Qasim College(Spring 2024):

Darul Qasim College sought to outfit its new location in Glendale Heights, IL, with workstations and case goods. After evaluating several options, Rashad Mujeebuddin of Darul Qasim College chose Arnold's, not only for its competitive pricing but also due to the exceptional customer service and openness provided by Bill Martin, Arnold's Sales Representative.

A distinguishing factor that set Arnold's Office Furniture apart was its ability to match all office furniture to the college's purple theme. Darul Qasim College purchased 17 Sunline Select workstations along with various case goods, all perfectly aligning with the school's color scheme.

About Our Client:

Darul Qasim College is an Islamic educational institution founded in 1998 that emphasizes academic learning through a traditional Sunni perspective.

Its mission is to provide deep understanding of the Qur'an and Sunnah within the context of contemporary challenges. The college offers various programs, including Advanced Islamic Studies, Intermediate Islamic Studies, and specialized courses like the Shaykh al-Hind Program.

The Solution

In October 2023, Rashad from Darul Qasim College contacted Arnold's to furnish their new location. While their timeline for case goods was flexible, they required workstations matching their school colors by April 6th. Despite the customizations needed for the workstations, Arnold's successfully met the deadline. The case goods followed shortly after, featuring matching finish options.

Rashad reported positive feedback from visitors, who remarked on the beauty of the furniture and its perfect alignment with the college's colors.
